

## **POLICY JT YOUTH SUICIDE PREVENTION**

The wellbeing and health of students is important. The District is committed to having a policy and procedures in place to prevent, assess the risk of, intervene in and respond to suicide. To that end, the District:

Recognizes that physical and mental health of the entire school community are integral components of student outcomes, both educationally and beyond graduation;

Further recognizes that suicide is a leading cause of death among young people;  
and
